HR & People

User Management

Get a user-friendly platform that gives you an overview of your employees. Quick view to see the role of your employees, which salary agreement your employees have, what registration employees can register and more.

The screenshot displays the 'EMPLOYEES' management interface. It features a sidebar with navigation options: EMPLOYEES, MODULES, COMPANY, and INTEGRATION. The main area includes a search filter, a '+ Add new employees' button, and a table of employee records. A tooltip indicates that one employee has not logged in.
